To whom it may concern:

I had the pleasure of working with Ms. Chanda Dicke at Molina HealthCare of South Carolina, LLC. Ms. Dicke was my Executive Assistant as well as the Associate Vice President of Network Management and Director of Operations. Due to a significant employee reduction across the company, Chanda's position was eliminated.

In her position, Chanda was responsible for supporting me and some of my direct reports administratively, but also was very active in the coordination activities of our employee committee, volunteer time off program and several communication initiatives including a plan wide company directory. Her attention to detail and willingness to always go above and beyond her assigned duties was appreciated by all staff.

I would strongly recommend Chanda for a position with your organization as she is reliable, professional, and a team player. Please don't hesitate to call me with any specific questions.

Sincerely,

Dora Wilson
